

IN LOVING MEMORY OF

Joshua Baer

“Plant lots of seeds, water everyone’s, repeat.”

I’m Noah, Josh’s son. My dad planted a seed in more people than I’ll ever know, and I want to know him through all of you. **Please record a video** — how he was your first investor, the first to believe in you, how you met him, a story he told you, anything.

Please don’t do this here at the reception. Take this home — there’s no rush. Record your story any time over the next week or two.
